Traffic Tested® Genetics

America's Alfalfa offers proven Traffic Tested® varieties that outperform and out-yield over the life of your alfalfa stand. The AmeriStand varieties are named for their ability to withstand traffic from grazing, equipment and even manure applications. Selected for their yield and quality characteristics over the past 50 years, America's Alfalfa varieties produce tough, agronomically-sound, winterhardy and disease resistant alfalfa in your fields.

America's Alfalfa is bred to yield under pressure.
